## The Gift of Community

The festive season is almost here & we invite you to celebrate with us!

When you buy a Justine gift, not only are you bringing joy to your loved ones, but our entire community benefits because Justine products are made locally & sold directly by women who are empowered to earn a living.

Justine Sales Leader Susan Mlotha is looking forward to gifting season & says you can't go wrong with a Tissue Oil gift. "I've been using Justine Tissue Oil products for seven years now & everyone who tries them, loves them – they really work!" She also says men love a bundle deal – so head to the men's fragrance store for some enticing ideas to layer his fragrance. "My husband loves the Carpe Diem fragrances."

Leandra Verster, a Justine Consultant since 2017, swears by A-Firm Hydro Plus. She also advises not to overlook the smaller items during this time of year – like the Tissue Oil 5-in-1 Moisture Balm or Tissue Oil Lip Therapy – because they make wonderful stocking fillers or thoughtful extras.

For 52 years, Justine has brought you premium products that are perfect for your gifting needs. Fragrances make for soulful gifts that leave an impression & show you care, so we've put together a comprehensive gifting section to take the guesswork out of this season.

With this in mind, now's the perfect time to get ahead of the festive-season rush!

Susan Mlotha & Leandra Verster
